### SHORT SYNOPSIS

*Tutti* is an elegant union between visually stunning circus and live symphony orchestra performing renowned Australian work. Expect a dazzling evening of excitement, and thrilling acrobatics as moments of pure risk, beauty, complexity, virtuosity and maybe even some irreverence, come together to celebrate the common thread between music and silence, circus and stillness, tension and release. The Orchestra is framed by a spanning truss arch reminiscent of a violin bridge and the circus artists will emerge throughout the performance, balancing on giant strings and physically forming the shape of music in this truly spectacular show of aerial work, acrobatics, flying trumpeters, and even a human metronome.
